# Economic Impact

## Federal/State Funding FY 2013

***Federal/State Ratio***  
***\$34 to \$1***

### Funding Facts:

The State collects more in payroll, property, and sales taxes from Guard members than it budgets for the Iowa National Guard.

### Iowa National Guard FTEs:

- 1,955 Federal Employees
- 304 State Employees
- 95% State FTEs are fully or partially federal reimbursed

This does include mobilized pay for Iowa Guard Soldiers.

# Federal Budget

## Potential Impact & Opportunities

### Potential Impacts:

- Force Structure reduction
- Armory closures
- Hiring freeze on military technicians & furlough of current technicians
- Impact state employees that are paid through cooperative agreements
- Grounding of military aircraft
- Ability to respond to state active duty needs
- Federal reimbursement rate changes

### Opportunities:

- Greater reliance on Reserve Component
- Growth potential for Iowa Guard – Soldier/Airman for Life
- Growth potential for Iowa – relocation of Active Duty Service Members
- Provide Value for America
